The Administrative fee can be fully applied to a later stay with us so long as it occurs within 12 months.

COVID-19 Related Cancellations

At present the USVI requires that all visitors have a negative COVID test 5 days prior to arrival. In the future, if either USVI or Federal laws or guidelines change so that all visitors traveling to the USVI must be vaccinated, if you or any of your guests who have booked with us on Lovango are unvaccinated and are unable to travel to the USVI, this does not constitute a valid reason to cancel a reservation at Lovango and receive a refund. We encourage all our guests to be fully vaccinated.

If a guest comes down with COVID within 14 days advance of your scheduled arrival date in the USVI, with a written positive result, the reservation payment amount may be used towards a future stay for up to 12 months. There are no refunds.
